Re: Bill 15 (2016) CD2

Aloha Honorable Members of the Honolulu City Council,

As a person born and raised on O'ahu, I would like to add my voice to those who would like funding reinstated for our Thomas Square renovation.

When I was a child, one of my favorite special things to do was to go to Thomas Square and watch the fountain...the REALLY BIG fountain! It makes me sad that for many years, children have not been able to experience an encounter with one of Honolulu's special wonders.

In addition, the bigger and more populous Honolulu grows, the more she needs these places of renewal...of peace and green...for her people.

The history of that place cries out for attention.

Please reconsider.

Mahalo,
